Dr. H. E. Code,
Religious Education Association,
Chicago.

Dear Dr. Code:

I have just received a letter from the Secretary of the Ontario Educational Association saying that he will lay before the Board of Directors on October 18th the proposal that you should be invited to address the Ontario Educational Association at its next meeting. The Secretary himself is in favour of it, but asked me whether it will involve financial obligation on the part of the Association. ~~Remember~~ Remember correctly when we made the former arrangement there was to be no obligation on the part of the Association. Will you kindly let me know your mind on the matter so that I may write the Secretary definitely with regard to it?

Yours sincerely,

President.

Dr. H. F. Coe,

Secretary, Religious Education Association,
Chicago.

Dear Dr. Coe:

I have just been in communication with the Secretary of the Ontario Educational Association, and regret to say that he thinks that it is unlikely that this year they can make arrangements for you to address the Association at the Easter meeting. The Secretary himself was strongly in favour of it, but the President has been anxious to have one of the Presidents of the American Universities brought on, and there is not any opportunity for more than one. The matter is not definitely settled, he assures me, but this is the way it will go, he is afraid. I need not say that I am sorry that I have been unable to accomplish what I had hoped would have resulted. I can only hope for better luck next time.

With kind regards, I am,

I am,

Yours sincerely,

President.

Pres. Robert A. Falconer, LL.D.,
University of Toronto,
Toronto, Ont., Canada.

My dear President Falconer:

After conference with President Thwing we have concluded that we would like to have Canon Cody on the program at New Haven for the night of Thursday, March 5, under the general topic "Education and the Social Ideals of the Age". You were kind enough to say that you would present this to Canon Cody and carry our invitation to him. It would be proper to do so not only in the name of the program committee, but in that of the Executive Board which met yesterday. Of course while the topic is stated as present as I have given it above, it may be modified to suit the message which any speaker may have. We only wish to make sure that there is really a message pertinent to the general theme of the convention "The Relation of Higher Education to the Social Order". We will be very grateful if you will do your best to persuade Canon Cody to make his contribution.

I had a thoroughly enjoyable time in Toronto and feel that the way the organization was started, simply as the committee for Canada, is the wisest and best. I have not heard from the committee which was to wait on you as to the chairmanship of this "Committee on Canada", but I sincerely trust that you will accept that office with the understanding that the work is to be done by the secretary.

Sincerely yours,

General Secretary.

Dr. H. H. Cope,
332 South Michigan Avenue,
Chicago.

My dear Dr. Cope:

I spoke to Archdeacon Cody some time ago about going to the meeting of the Religious Education Association at Yale, and though he is very busy I think that he is rather favourably disposed to it. I was surprised to see on the programme that I received a while ago the name of Principal Gandier, so that I assumed you had substituted the name of Principal Gandier for that of Archdeacon Cody. However, if you write to Archdeacon Cody now I feel sure that he will be able to let you know definitely whether or not he can go.

I am glad to know that you have been invited to speak at the Ontario Educational Association in the middle of April. I had corresponded with the Secretary and knew that this was coming.

Yours sincerely,

President.

Rev. R. Douglas Fraser, D.D.,
Church & Gerrard Sts.,
Toronto, Ont., Can.

My dear Dr. Fraser:

It seems to me most important that we should seize the opportunity of the meeting of the Ontario Educational Association (at which I am to make an address) to hold the first conference of the Canadian division of the R.E.A. I speak only from our experience that the meetings of the N.E.A. furnish good opportunity for similar conferences on this side. I should like your judgment as to the wisdom of attempting such a conference and if it seems wise to you any suggestions which you may be able to make regarding the nature of the program.

Sincerely yours,

General Secretary.

Dr. H. H. Cope,
332 South Michigan Avenue,
Chicago.

Dear Dr. Cope:

It may be that it would be wise to hold a meeting of the Canadian division of the R. H. A. while you are here at the meeting of the Ontario Education Association, but it is an extremely busy week. Meetings are being held all day long for three days, and I myself shall be so much occupied that it will be quite impossible for me to undertake to call a conference or to direct it. However, you will be free, and probably most of those who would be able to come to it, would be able to be present then as well as on any other occasion. Will you write to Dr. Fraser and ask his opinion in the matter?

Yours sincerely,

President.

March 10th, 1914

Dr. H. S. Cope,

332 South Michigan Avenue,

Chicago.

My dear Dr. Cope:

Thank you for your letter notifying me that I have been elected one of the Vice-Presidents of the Religious Educational Association. This position I am glad to be able to accept, though I am sorry that I could not accept the honor that you and President Thwing offered me of being President of the Society for the coming year. I have so many duties pressing in upon me at this time that I could not undertake the burden that would be involved in such an important office. We hope to have you stay with us when you are here in April, and then I shall have a chance of talking the matter over with you.

Yours sincerely,

President.
